Dear Dr. Hannan:

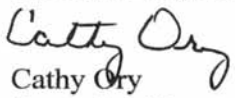

On behalf of The CARE Clinic I would like to express my sincere appreciation to all of the members of the Bangladesh Medical Association of North America - Carolina Chapter for selecting The CARE Clinic to receive your organization's contribution to a local charity during this year's annual convention. Our board of directors, staff, volunteers, and especially our patients greatly appreciate your most generous gift of \$2,500.

Your generous support will benefit Cumberland County residents who are uninsured and do not have the funds to pay for medical care. At no charge to our patients, we provide acute health care, limited dental care, routine laboratory testing, limited pharmacy services, and referrals to other sources in our community. As you know, several of your local members donate their services to our patients, either as a volunteer at the clinic or by accepting our patients in their offices, so their generous contributions to our community are ongoing.

Katheryn Jenifer and I particularly appreciated the opportunity to attend the dinner Saturday night. Everyone we met was very gracious and made us feel very welcome. We both thoroughly enjoyed the delicious dinner too!

Thank you again for your continuing partnership in our mission. May you all be blessed for your kindness to those in need.

With sincere gratitude,

  
Cathy Ory  
Executive Director
