Dear Friends:

I am writing to personally thank you for your contribution \$10,000 to the North Carolina Disaster Relief Fund.

The devastation from Hurricane Florence is widespread and I am grateful to you for expressing your support and partnership in such a meaningful way. Your generous gift will help individuals, families and communities with immediate unmet needs. This includes food and water, clothing, temporary housing, utility bills and other needs.

This is an opportunity to come together and care for our neighbors and communities who will feel Florence's impact for years. The recovery and rebuild process will take time. My team and, I along with our local and federal partners, volunteer organizations and many others, will continue to work hard every day to make sure North Carolina comes out even stronger than it was before.

We are North Carolina, we are resilient and we will get through this. Thank you again for your generosity and for being an important part of the Hurricane Florence recovery process.

With kind regards, I am

Very truly yours,

A handwritten signature in black ink that reads "Roy Cooper".
